Problem Solving with Kids

Problem: Anna Spills Water @ Dinner	Name(s): Anna + Daddy	Date: 3/23/2014
Current Condition / Problem On Saturday, Anna knocked her glass of water off of the table, spilling water on the floor.		Cause Analysis 1. why did you spill your water? ↓ 2. The cup was on the edge of the table. ← + → Anna hit the cup w/ her elbow. ↓ why? Anna was turning around in her seat ↓ why? "The fire was pretty colors!" 3. That's where Anna put it after drinking.
		Countermeasures / Actions 
Target Condition / Goal Starting today, Anna doesn't knock her water on the floor at dinner.		Verify / Standardize 1. Mommy + Daddy to check cup placement during dinner (must be on fish coaster) 2. Everyone follows the cup placement standard.
		No. of Recurrences: 0
